**He was born in Manhufe, Amarante, on the 14th of November, 1887.**

**He was a Portuguese, precursory painter of the Modern Art, continuing the way traced by the artists of the vanguard of his time. Although, he had died very early, with only 31 years old, his works of Art became immortal.**

**He had explored the Expressionism and in his last works he used also pastes-up and other ways of Arts.**

**He died in Espinho, on the 25th of October 1918, victim of pneumonia.**

**In groups, we looked at some paintings of the artist and we wrote about the suggestions that they gave us. We invented a title to the paintings.**
