

## Ismael and Chopin

**In our school library, this month we listen to a very beautiful story called “Ismael and Chopin” whose author is Miguel Sousa Tavares, son of the great writer Sophia de Mello Breyner Andresen.**

**Teacher Graça dressed as a rabbit to tell us the Ismael’s story, a rabbit with 52 brothers who met Chopin one day and fell in love with his music.**

**We learnt more about rabbits’ life and the dangers of the forest but we could also dream with Chopin’s music which enchanted Ismael and ourselves.**

**The story is kept in a pillow and step by step Ismael shows us the secrets of his burrow.**

**To sleep, to read and to dream are some of the verbs that this story makes us to remember.**
