The Monet's paintings

*One day we appreciate some Monet's
paintings :*

What we think:

➤ *This painter paints **landscapes!***

➤ *Some paintings have the colour of the **sea!***

➤ *These are **colourful**
paintings!*

➤ *The Nature is very **pretty!***

➤ *Wonderful **flowers!***

➤ *Some paintings have **much**
colour!*

- *The flowers are **enchanted!***
- *The paintings have the colours of the **rainbow!***

- *There are paintings with very **nice** **bridges!***

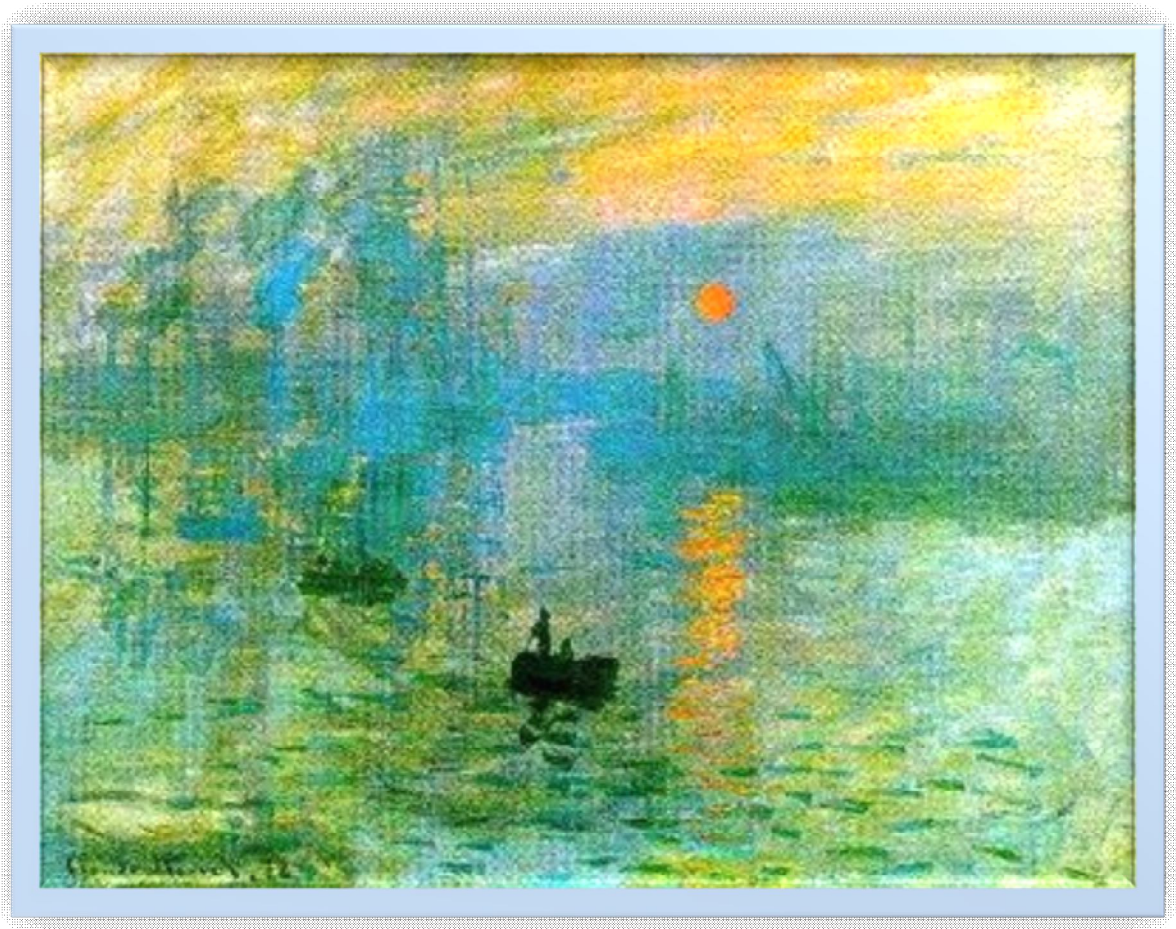

- *The paintings have a **dithering!***
- *This painting looks more **realistic!***

*Starting by this last sentence, we spoke about what we consider to be “**Realism**” and about the difference between this painting and the others that we have looked at.*

*On the Internet, we made some researches about some paintings that seem to be realistic and we compare them with **Monet's paintings**. We found some differences between them!*

*We made some researches to know what was the name of Monet's painting style and we discovered the word “**Impressionism**”.*

We now know that this style of painting appeared with this painter when he painted the work of art “Sunrise”.

Monet “Sunrise”.
